

SEXTON BLAKE in the case of The Torn Chart

MAX REID, AND HIS PAL SAM REACH FRANCE WITH THE CHART OF A NEW-GUINEA GOLD MINE THEY HAVE STOLEN -- SEXTON BLAKE AND LARRY O'GORMAN CORNER THEM ON THE PARIS EXPRESS. LARRY AND MAX FALL FROM THE TRAIN INTO A RIVER AND SEXTON BLAKE DIVES TO THE RESCUE.

(Will Larry be in time? Can he save Sexton Blake? More thrills next week.)
